Transition, Operation and
Improvement

AARIUS DUMAS PRODUCTIONS

Freelance Videographer, 2017 - 2019

- As a freelance videographer and director I establish rapport with local not-for-profit organizations and assist with helping them spread brand awareness and promote knowledge of their community centered programming via mixed media outlets (social media, email & TV)
- Worked with local bars to create compelling recap promotions of their venue and entertainment services
- Create recap documentaries featuring interviews of participants of community events while promoting the event for future distribution
- Produced tutorials and media assets for local events promotion service
- Produced campaign smear ads and media assets for local political campaign

GRIGORO PAGES LLC

Freelance Digital Designer, 2008 - 2016

- Design, build, and maintain web sites, sales funnels and social media pages
- Adept at using digital authoring tools, extensible markup language, graphic design software, digital asset management tools, digital media creation, and content management systems (CMS), such as Wordpress, Joomla and others, to create automated digital business systems
- Digital artist specializing in vector and rasterized graphics, animations, infographics, etc
- Adept at offset printing, desktop printing, mail merge, data merge, USPS bulk mail, bleed printing, printer technology, etc
